

LANCASTER EVANGELICAL FREE CHURCH

ABF Leaders

Instructions for Taking Attendance

Rock RMS | Mobile App & Volunteer Portal

OVERVIEW

ABF Leaders can access Rock in two ways: one is through the mobile application, and the other is through a tool called the Volunteer Portal. The Volunteer Portal can be used on an iPad or computer.

This document covers accessing Rock through the Mobile Application and the Volunteer Portal on a computer.

If you have not been provided with a user ID and login information to the Volunteer Portal, please contact the church office.

You can build a shortcut on your computer or save the page to your favorites for easy and quick access.

TAKING ATTENDANCE USING THE MOBILE APPLICATION

The following instructions cover the information available on the Rock Mobile App for ABF Leaders.

Downloading & Logging In

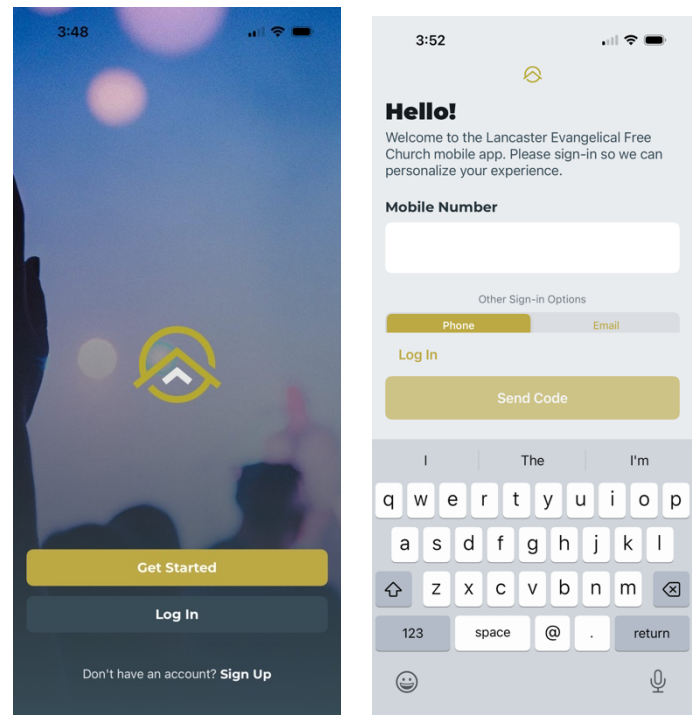

Download the app by searching for LEFC in the Google Play Store or the Apple App Store.

After downloading, log in with your account or request an account to gain access.

To request access, provide a cell phone number or email address. You will receive a code that grants you access to the LEFC Mobile App.

Note: Please use the cell phone number and/or email you provided in the former Amplify app.

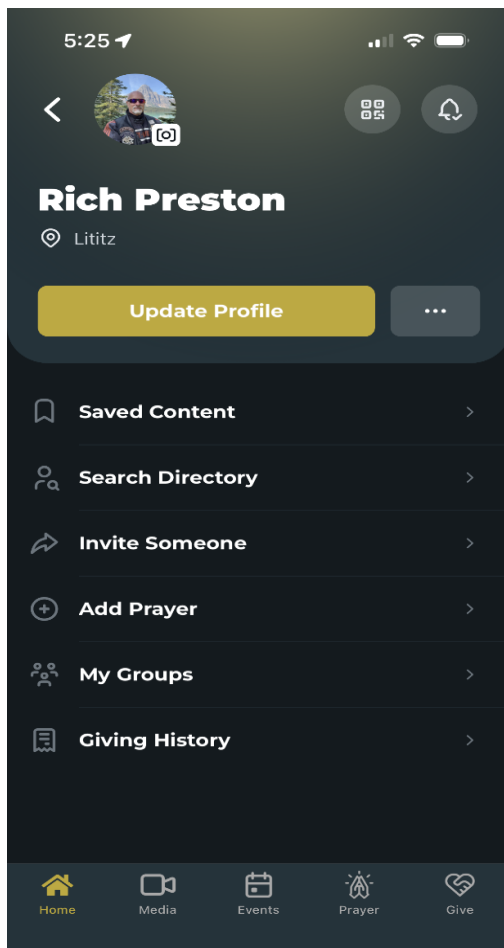

You can request access to the LEFC directory if you are a regular attender or a member of LEFC. See the form on the LEFC website for instructions.

Mobile App Main Page

The buttons along the bottom of the app include:

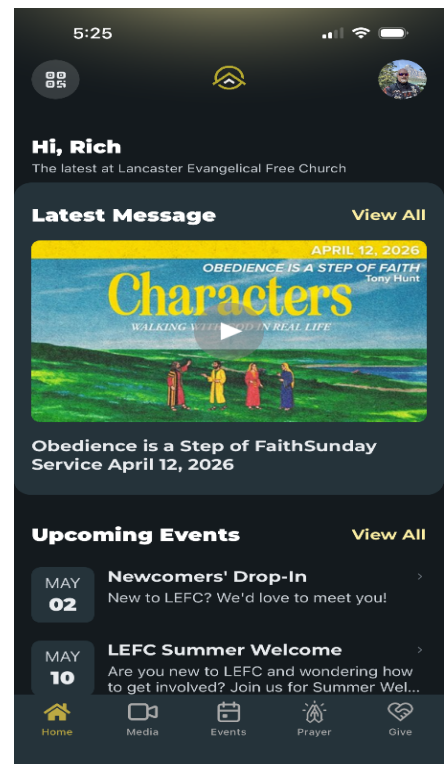

- Home – Brings you back to this view from anywhere
- Media – Looking for sermons or series
- Events – All events currently scheduled
- Prayer – Submitting and praying
- Give – Used for online one-time or recurring giving

Profile & Additional Features

If you press the person icon (or your picture) in the upper right corner, the following options are shown:

- Update your profile — phone number, email, and address
- Saved Content – If you started a sermon or service and saved it, you can find it here
- Search Directory – Search the LEFC directory
- Invite Someone – Send an email to someone with our webpage attached
- Add Prayer – Add a prayer request
- My Groups – Displays the groups you are actively attending
- Giving History – Shows your giving to the church
- The three dots next to Update Profile allow you to delete your account or logout (deleting the account only removes your app access)
- The camera icon next to your picture allows you to upload a photo
- The four small squares to the right of your picture open an additional screen of options

Taking Attendance in My Groups

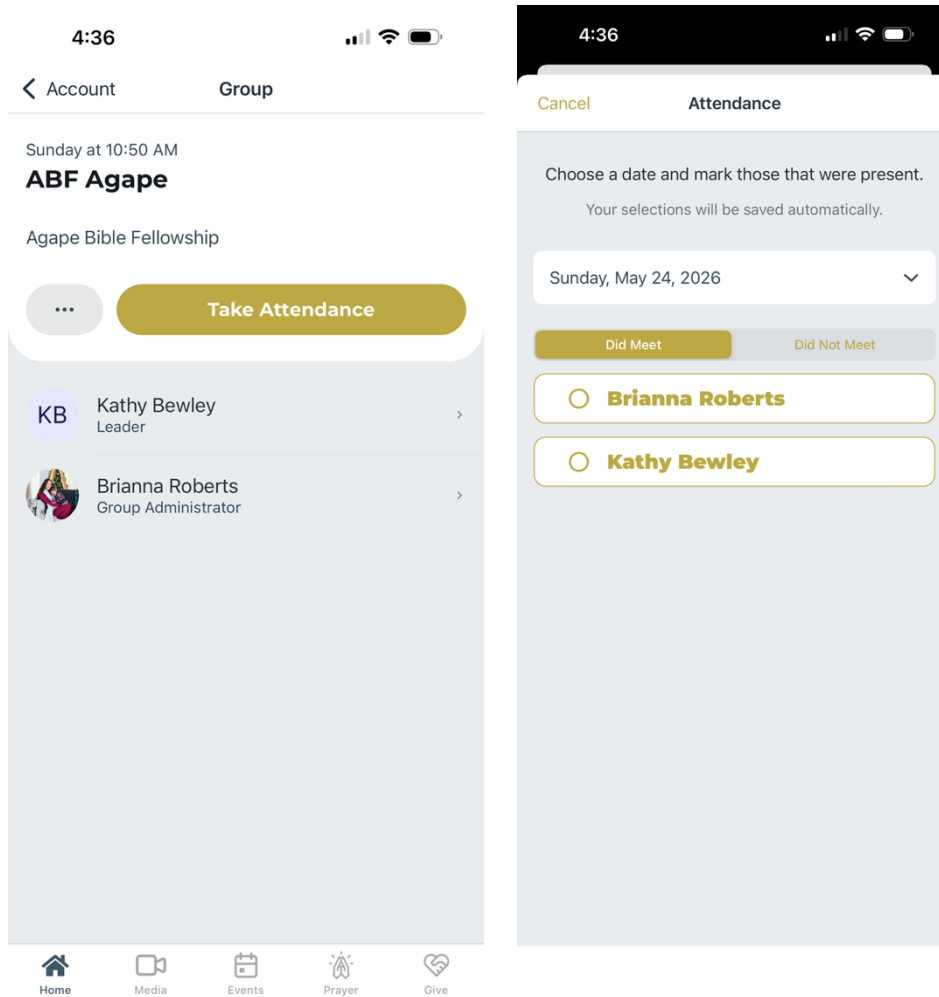

When you click on My Groups, the groups you are a member of will be displayed. Click on a group to see its members.

Your available functions depend on your role within the group:

- Member – You can view the other members of the group
- Leader – You can take attendance, update member information, and call, text, or email any member

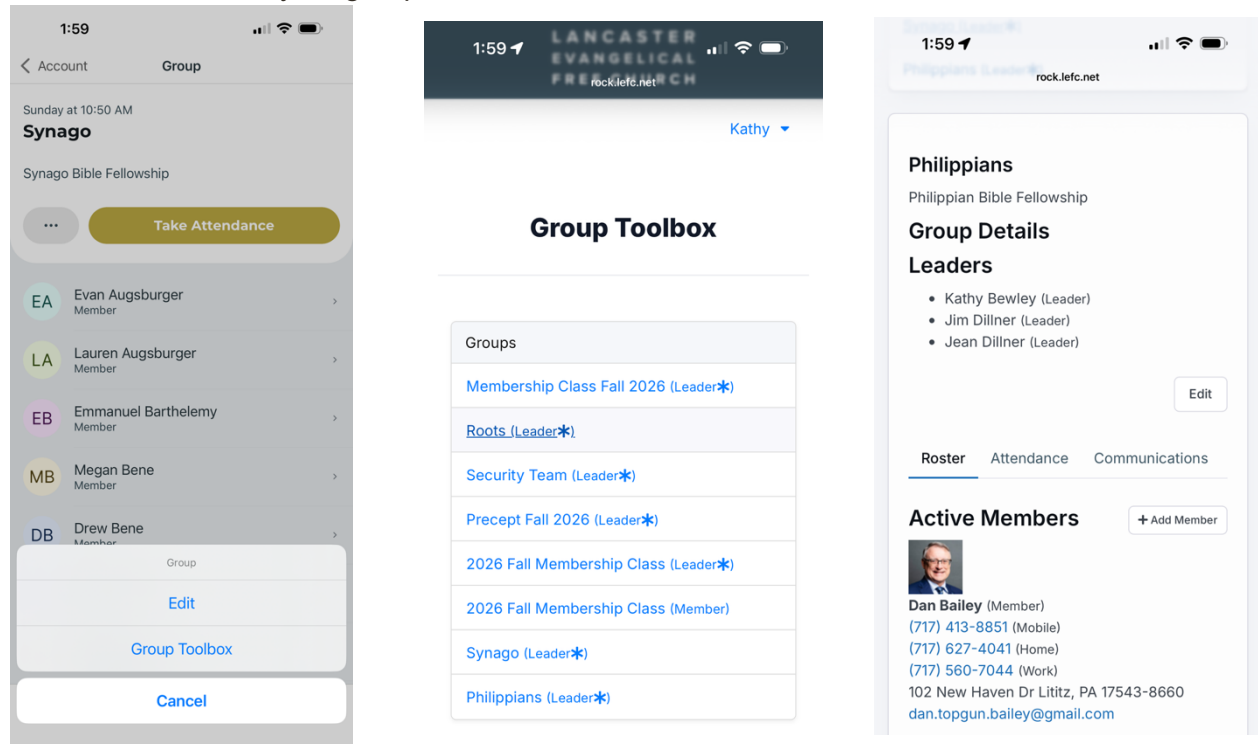

As a Leader, to take attendance:

- Click on the group for which you are the leader
- Take Attendance button will be displayed — click it
- Your group members will be listed
- Click on each individual who is present to mark them as attended

Adding Visitors and New Attenders

If you need to add a visitor/new attender, you can click on the ... to the left of Take Attendance. This will open the Group Leader Toolbox. There is a button at the top that will use to open a form to request to add individuals to your group.

The form will open with your information pre-filled. Simply replace your information with the visitor's information. Required fields have a red dot.

The first screenshot shows a mobile app interface for a group named 'Synago'. At the top, there's a menu icon (three dots) and a 'Take Attendance' button. Below the group name, there's a list of members. The second screenshot shows the 'Group Toolbox' screen, which lists various groups like 'Membership Class Fall 2026', 'Roots', 'Security Team', etc., with 'Philippians (Leader*)' highlighted. The third screenshot shows the 'Philippians' group details page, including a list of leaders and an 'Add Member' button.

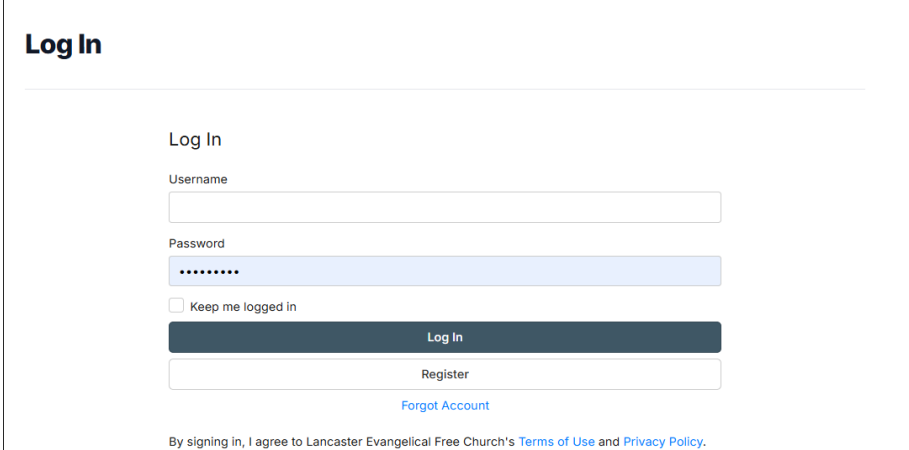

ACCESSING THE VOLUNTEER PORTAL VIA COMPUTER OR IPAD

Logging In

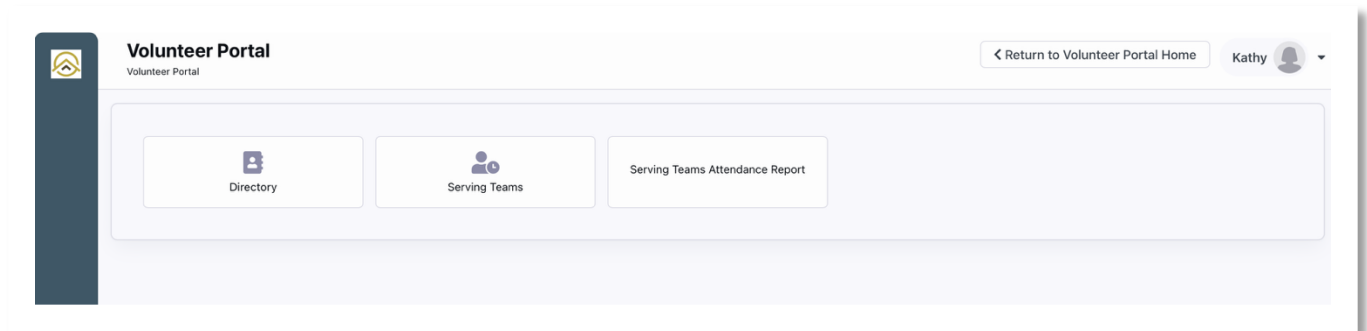

In the browser of your choice, enter the following address:

`https://rock.lefc.net/volunteerportal`

Enter your user ID and password, then press the Login button.

The screenshot shows the 'Log In' page of the Volunteer Portal. It features a 'Log In' heading, a 'Username' input field, a 'Password' input field with masked characters, a 'Keep me logged in' checkbox, a 'Log In' button, a 'Register' button, and a 'Forgot Account' link. At the bottom, there is a disclaimer: 'By signing in, I agree to Lancaster Evangelical Free Church's [Terms of Use](#) and [Privacy Policy](#).'

Main Menu

The page above is the main menu of the Volunteer Portal.

ABF Leaders are part of the Serving Teams

Pressing Serving Teams will open a window showing all the groups you are active in and are considered a Leader. There are two types of group members: Members and Leaders. All ABF Leaders are given the role of Leader for their ABF group (this is due to security and access requirements).

Selecting Your ABF Group

If you click on your ABF Group in the Serving Teams screen, the group detail view will be displayed. ABF Leaders will be taking attendance using Serve Team Attendance. Click on Serve Team Attendance to open the attendance entry screen.

Viewing a Person's Profile

On any attendance screen, if you click the small person icon next to a name, you will be taken to that person's profile where you can see more information. This is the same information you would see if you searched the directory.

⚠ IMPORTANT

Do NOT press the "X" on a person in the attendance screen. This will remove the person from the group. Removing members from the group should only be done by LEFC Staff.
